

(AN ISO 9001:2015 CERTIFIED COMPANY)

HINDUSTAN FIBRE TECH

Construction of Composite Engineering

www.hftindia.com

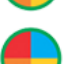

Our Company Profile:-

Established in the year, **2010**, at Perambalur, Tamil Nadu, India, Our Current Manufacturing Unit at Chennai. We, "**Hindustan Fibre Tech**" are a leading designer, manufacturer and supplier of wide range of **FRP (Fibreglass Reinforced Plastic) Equipment** such as **Storage Tanks, Dosing Tanks, Process & Pressure Vessels, Pollution Control Equipment, Gratings, Pipes & fittings, Linings** and we Service that are **ISO 9001 : 2008** Certified. Our first project was at Ranipet for Design, Manufacture and Supply of PP&FRP Scrubber Tank with, "**M/s. Ultramarine Pigments Limited,**" that is a pioneer company in the field of one of the largest Pigment and Surfactant manufacturing company.

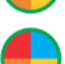

In our range, we offer various types of **Storage Tanks, Process & Pressure Vessels, Gratings, Linings and Pollution Control Equipment such as Scrubbers, Degassers, Fume Absorbers, and Blowers** etc. Fabricated using premium quality raw material and advanced technology, we develop our entire range under strict quality control measures. Our offered products are highly acclaimed in the industry owing to their optimum functionality, high durability and superior quality. Further, we offer our range of products in both, standard and customized specifications to meet the specific requirements of the clients.

Our sophisticated infrastructure facility equipped with advance machines and tools enables us to manufacture superior quality range of products in compliance with the international quality standards. We have a team of experts who work in close-coordination in order to develop reliable and high performance range of offered products. Further, we conduct regular training session at our well-equipped workshop facility in order to update our professionals with latest technology. In order to achieve utmost client satisfaction and high business excellence. We follow ethical business practices in our every transaction. We offer these products to our valuable client's at the most competitive prices

Salient Feature of FRP:-

-  Corrosion resistant.
-  High strength to weight ratio.
-  Highly durable.
-  Higher conveying ability due to glossy internal finish
-  Light weight.
-  High mechanical properties.
-  Impact resistant.
-  Abrasion resistant.
-  Maintenance free.
-  Lower thermal conductivity.

Salient Feature of FRP:-

-  Resistant to galvanic & stray electrical currents.
-  Excellent thermal insulation.
-  Good adaptability & dimensional stability.
-  UV resistant.
-  Non-reactive.
-  Ease of installation & repair.
-  Ease of fabrication such as cutting, drilling, jointing etc.
-  Aesthetically appealing.
-  Flexibility in design..
-  Lower thermal conductivity.

Our Scope of Work:-

- **Design**
- **Manufacture**
- **Supply**
- **Installation**
- **Site Erection**
- **Commissioning**

Industries We Serve:-

-  **Automobiles**
-  **Cements**
-  **Chemicals & Fertilizers**
-  **Civil Constructions**
-  **Pigment & Dyes**
-  **Food Products**
-  **Metals & Mining**
-  **Necuclear Plants**
-  **Oil & Gas**
-  **Paints**
-  **Pharmaceuticals**
-  **Polymers**
-  **Power plants**
-  **Pulp & Papers**
-  **Sugars**
-  **Water Treatment Plants**

Our Products:-

We Have **Design, Manufacturer & Supply** of **FRP** (Fibreglass Reinforced Plastic) Industrial Equipments.

FRP Storage Tanks

FRP Bulk Acid Storage Tanks

FRP Water Storage Tanks

FRP HCL Storage Tanks

FRP Alum Storage Tank

PVC FRP Tanks

PP FRP Tanks

HCL Day Tanks

FRP Agitator Tanks

FRP Agitator Vessels

Agitators

FRP Vessels

PP FRP Vessels

FRP Reactor Vessels

FRP Dosing Tanks

PP FRP Dosing Tanks

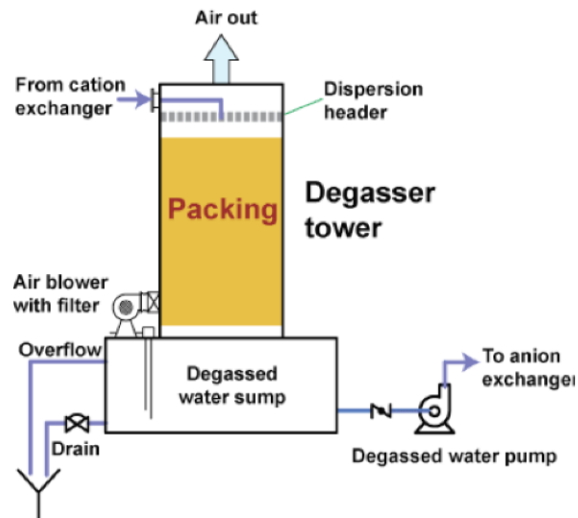

FRP HCL Fume Absorbers

FRP Degassers

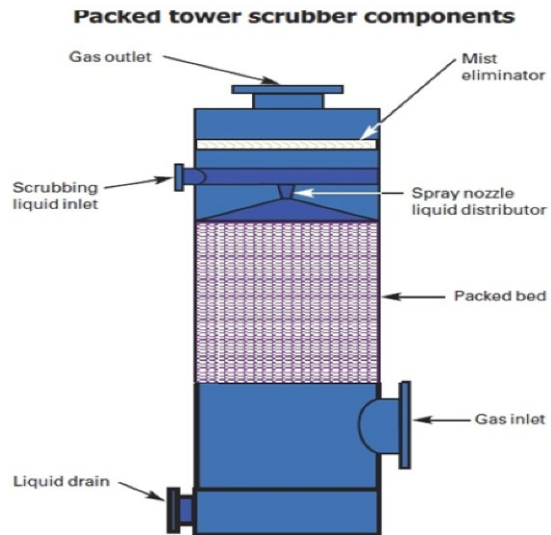

Degasser Towers

Degasser System

FRP Scrubbers

PP FRP Scrubbers

Acid Fume Scrubbers

FRP Ducts

PP FRP Ducts

FRP Exhaust Systems

FRP Blowers

FRP Rain Water Gutters

FRP Ducts & Pipes

FRP Fittings

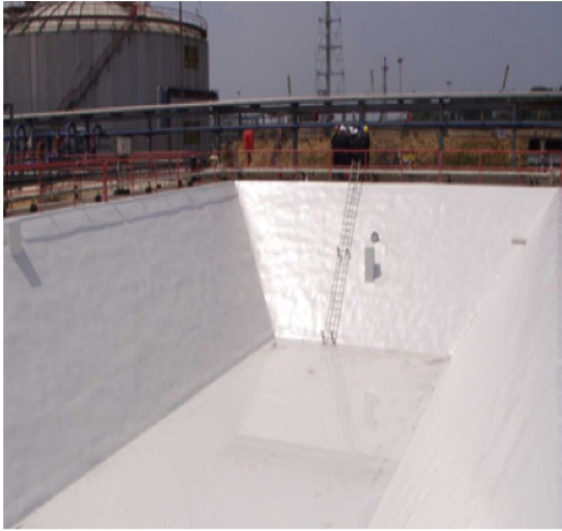

PP FRP Pipes

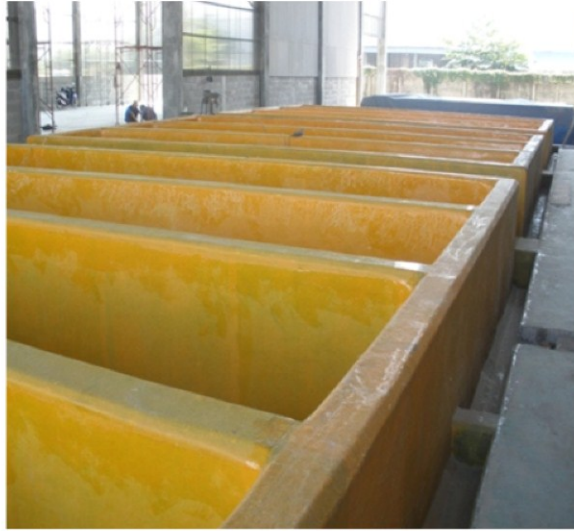

FRP Pipe Erections

FRP Lining on RCC Floors

FRP Lining on RCC Tanks

FRP Lining on MS Tanks

FRP Gratings

FRP Floor Gratings

Fibreglass Gratings
